APPROVED OMB-0938-0999 FORM CMS-1500 (08/05)
BECAUSE THIS FORM IS USED BY VARIOUS GOVERNMENT AND PRIVATE HEALTH PROGRAMS, SEE SEPARATE INSTRUCTIONS ISSUED BY APPLICABLE PROGRAMS.

NOTICE: Any person who knowingly files a statement of claim containing any misrepresentation or any false, incomplete or misleading information may be guilty of a criminal act punishable under law and may be subject to civil penalties.

REFERS TO GOVERNMENT PROGRAMS ONLY

MEDIicare and ChampuS PAYMENTS: A patient’s signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information is true, accurate and complete. In the case of a Medicare claim, the patient’s signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker’s compensation or other insurance which is responsible to pay for the services for which the Medicare claim is made. See 42 CFR 411.24(a). If item 9 is completed, the patient’s signature authorizes any entity to release to Medicare information to the patient, any person or group shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient’s sponsor should be provided in those items captioned in “Insured”, i.e., items 1a, 4, 6, 7, 9, and 11.

Black Lung and Feca Claims

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and Feca instructions regarding required procedure and diagnosis coding systems.

signature of physiciAn or SUPpLiER (MEDicare, chamPus, FEcA and black Lung)

I certify that the services shown on this form were medically indicated and necessary for the health of the patient and were personally furnished by me or were furnished incident to my professional service by my employee under my immediate personal supervision, except as otherwise expressly permitted by Medicare or CHAMPUS regulations.

For services to be considered as “incident” to a physician’s professional service, 1) they must be rendered under the physician’s immediate personal supervision by his/her employee, 2) they must be an integral, although incidental part of a covered physician’s service, 3) they must be of kinds commonly furnished in physician’s offices, and 4) the services of nonphysicians must be included on the physician’s bill.

For CHAMPUS claims, I further certify that I (or any employee) who rendered services are not an active duty member of the Uniformed Services or a civilian employee of the United States Government or a contract employee of the United States Government, either civilian or military (refer to 5 USC 5536). For Black-Lung claims, I further certify that the services performed were for a Black Lung-related disorder.

No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (42 CFR 424.2).

Notice: Any one who misrepresents or falsifies essential information to receive payment from Federal funds requested by this form may upon conviction be subject to fine and imprisonment under applicable Federal laws.

Notice to patient about the collection and use of medicare, CHAMPUS, FECA, and black lung information (privacy act statement)
